Rug for living room Isolation 200x300 cm

230 usd

- The peaceful illustration characterises concentration and sensitivity.
- Place it in a hallway to create an atmosphere of warmth and security.
- Designed and made in Ukraine, with love!

This friendly pattern is inspired by self-isolation, when it was necessary to contemplate the outer and inner worlds without leaving home. It characterises focus, poise and sensitivity, evoking feelings of warmth and security. "The period of quarantine brought us not only challenges, but also the opportunity to look at our lives and everyday life in a different way. Being in an enclosed space gave us a new sense of ourselves. Carpet Isolation is about just that. Through yoga, inside the enclosed space, girls find freedom of body and soul."

Isolation has a warm colour palette based on solpherine, saffron, ash black, white as well as lemon shades. The mat is made using two colours, and is available in two contrasting and one nuanced colour combinations, and in several sizes. Choose the largest size of 2000x3000mm for the living room or dining area; or the narrow rug of 2300x1600mm to create cosiness in a dressing room or corridor.
