137 usd

- Developed in collaboration with Metal Style.
- Prepayment 70% by bank card / cashless payment.
- Delivery by Nova Poshta in Ukraine / worldwide delivery.
- 2 year warranty.
- Created in Ukraine.

The chair is a continuation of the stylistically homogeneous CIRRINA collection. Whose smooth forms were suggested by nature: its direct prototype was the deep-sea octopus (lat. Cirrina). The angled back and seat, curved according to the contours of the body, help you achieve a comfortable position. The main material chosen is thin sheet metal, which, when bent correctly, creates a very durable structure. Back and seat material: oak wood/leather.

Designer Sergey Lvov

Year of creation 2017

Height: 1100 mm

Width: 400 mm

Depth: 535 mm
