

High sled base leather stool Support

254 usd

- Our most popular range, we have already produced 600 units.
- The intricate weave of lines that creates a strong construction separates it from hundreds of ordinary chairs.
- Winner of the DESIGN AND DESIGN INTERNATIONAL AWARD Paris, France, 2016.
- Exhibited at the exhibitions Barcelona Design Week, KIFF, Design Living Tendency, INTERIOR MEBEL, Warsaw Home.
- Designed and manufactured in Ukraine, with love!

A natural evolution of the popular chair series with an upholstered leather seat. Support is a charismatic piece with a memorable appearance and an unusual graphic structure of the frame. The dynamic lines of the improvised legs create for it that Wow-effect, which is so necessary for modern memorable interiors.
