- Can be fitted with recessed electrical fittings and trays for wires and other storage.
- We use traditional carpentry skills with artistic selection of wood grain and seamless gluing of lamellas on microship.
- Individual wood tinting is possible, or painting according to the RAL palette in the shade/colour you need.
- Designed and manufactured in Ukraine, with love!

The Budova reception desk is an eye-catching piece that can conveniently zone a space. The striking lines of the frame create a mesmerising graphic pattern. Budova's versatile dimensions adapt the surface of the counter for comfortable meals, productive working hours and meeting guests in the reception area. The lower corners of the counter have floor holes for easy and secure installation.
