

Rectangular writing desk Alaska

602 usd

- It has an intricate pedestal with a mountain landscape as a reference.
- Individual wood tinting or painting according to the RAL and NCS palette in the shade/colour you need is possible.
- Designed and manufactured in Ukraine, with love!

The modern Alaska desk features a mountain landscape transformed into an intricate pedestal. On its work surface, there will be plenty of space for the flight of thought and the realisation of ideas. The desk invites you to dream without distracting you with unnecessary details, remaining your discreet partner.
