

Oval ash coffee table Canotier

490 usd

- We use traditional carpentry skills, with artistic selection of wood grain and seamless gluing of lamellas on microship.
- Individual wood tinting or painting according to RAL and NCS palette in the shade/colour you need is possible.
- Designed and manufactured in Ukraine, with love!

The flowing shape of the table top makes the Canotier table look light and elegant. It combines modern elements with a classic image. The natural wood evokes a feeling of calm creation, comfort and warmth. While the metal intricately woven metal base is perceived as an original detail associated with a new school of shaping. Canotier is inspired by the French rowers' hat with its rigid shape and narrow brim. This lively association, enhances the romantic image of the piece.
