- We use traditional carpentry skills, with artistic selection of wood grain and seamless gluing of lamellas on microship.
- Individual wood tinting or painting in the RAL palette in the shade/colour you need is possible.
- Designed and manufactured in Ukraine, with love!

Reflecting on the importance of the dining room and its attributes in today's world, we have created a contemporary dining table with a round table top. Against the backdrop of the increasing alienation of people from each other due to handheld technology, the large round table will become a daily reminder of the importance of family togetherness, bringing together all members of the family.
