The Secret rug follows the natural shape of sand dunes with its flowing pattern lines. The volumetric pattern depicts the sunny and shady part of the dune and the heavenly abyss, creating a mysterious depth. As we gaze into the distance, we are in awe of the unknown lurking behind the hill. It allows us to choose any interpretation of the future while savouring the elusive beauty of the present.

Secret has a warm colour palette based on solferino, saffron, ash black, white, as well as olive, pine, sand and a touch of marsala. It is made using four colours, available in a nuanced colour combination, and in several sizes. Choose the 1600x1600mm round mat and place it under a coffee table in the living room or bedroom; or the 2300x1600mm narrow mat to create cosiness in a hallway or dressing room.
