- Designed and manufactured in Ukraine, with love!

Dining table for summer areas, terraces and balconies.

Designer: Sergey Lvov

Year of creation: 2015

Height: 750 mm

Depth: 900 mm

Width: 900 mm

Materials and instructions

Frame: steel rod 10 mm, powder painting. Tabletop: solid ash 20 mm.

Coating: street oil with hard wax OSMO (Germany). Surface: silky

matte. Care: Wipe down outdoor furniture after rain. This will prevent liquids from penetrating deep into the wood. Cleaning the wood daily with a damp cloth will keep it cleaner longer. [Care instructions](#)
